

Service in a Scoop

New Ice Scoop/Dry Goods Scoop

- Ideal solution for sanitary service and preparation.
- Perfect for caterers, bars, restaurants, cafeterias, reception/banquet halls, and country clubs.
- This sturdy polypropylene scoop can manage a variety of tasks. Use for ice, baking ingredients, candy, cereal, nuts, grains, and fruit.
- Disposable utensils reduce the cost to clean and replace permanentware on site and in the preparation area.
