

*A lot of
“WOW!” in
a little
package!*

Reflections™, the patented* single use silverware, is now available in two kit options:

- REFKIT3: Reflections™ fork, knife, spoon, salt, pepper, and 2ply napkin
- REFKIT2: Reflections™ fork, knife, salt, pepper, and 2ply napkin

Create a formal presentation that upscale disposable black and white cutlery kits cannot match, while still providing a sanitary cutlery option.

WNA now provides you with another way to capitalize on the overwhelming popularity of Reflections™. Self-service kits allow you to enjoy all of the benefits of Reflections™ with less labor.

Great at creating a “wow” presentation for:

- Upscale caterers
- Boxed lunch events (corporate outings, golf events, etc.)
- Take-Out Restaurants
- Salad Bars
